

Triangle Butterfly

(Adapted from Arvind Gupta's Toys from Trash Beautiful Butterfly)
<http://www.arvindguptatoys.com/toys/beautifulbutterfly.html>

1. Color two equilateral triangles and oval body.
2. Cut out triangles and oval body.
3. Fan-fold the two equilateral triangles.
4. Bring the two triangles together and either tie with a string or tape.
5. Attach body. (You can use pipe cleaners or wire to add antennae.)
6. Take your triangle butterfly on an adventure!
